**From the Shadows** Feb 27 2021 Publishers Weekly “Top 10 Book of the Year” selection “Begins as entertaining slapstick, subtly metamorphoses into fable. . . . As [the narrator’s] vivid imaginary world fuses with reality this deceptively ethereal novel advances toward a dark and startling finale.” —Wall Street Journal Laid off from his job, Damián Lobo obsessively imagines himself as a celebrity being interviewed on TV. After committing an act of petty theft at an antiques market, he finds himself trapped inside a wardrobe and delivered to the seemingly idyllic home of a husband, wife, and their internet-addicted teenage daughter. There, he sneaks from the shadows to serve as an invisible butler, becoming deeply and disastrously involved with his unknowing host family. Every thread of the plot is ingeniously tied together, creating a potent admixture of parable, love story, and thriller. Millás masterfully reveals the everyday as innately surreal as he renders the unbelievable tangible and the trivial fantastical, and full of dark humor. Juan José Millás is the recipient of Spain’s most prestigious literary prizes: the Premio Nadal, Premio Planeta, and Premio Nacional de Narrativa. A regular contributor to *El País*, Millás has also won many awards for his journalism. He is the author of several short story collections and works of nonfiction as well as over a dozen novels, including *From the Shadows*, the first of his novels to be published in North America. He lives in Madrid.

**Where the Shadows Lie** Jan 21 2023 Where the Shadows Lie takes the reader on a journey through Tolkien’s Middle-earth, following the hobbits, their companions, and the characters they encounter on their quest. Along the way, Skogemann reveals the deep symbolic layers that are the source of joy and enchantment that many find in reading *The Lord of the Rings*. Aragorn, with the aid of Gandalf, Legolas, and Gimli, ascends to the throne and becomes the center of a great, unified kingdom—a symbol of the collective Self. The four hobbits, representing individual ego-consciousness, are transformed by the quest and acquire the psychological tools they need to renew the Shire—the small domain enfolded in the great. Jung’s theories of the collective unconscious and the archetypes provide a key to understanding the forces of fantasy that are so powerful in Tolkien’s masterpiece—and thereby a key to understanding ourselves and the events of the outside world in our modern times.

**AMORALMAN** Apr 19 2020 Truth and lies are two sides of the same coin. But who’s flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world’s leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront—and try to understand—his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father’s vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. A M O R A L M A N is a wildly engaging exploration of the fictions we live as truths. It is ultimately a book about the lies we tell ourselves and the realities we manufacture in others.

**The Emigrants** Sep 05 2021 A masterwork of W. G. Sebald, now with a gorgeous new cover by the famed designer Peter Mendelsund The four long narratives in *The Emigrants* appear at first to be the straightforward biographies of four Germans in exile. Sebald reconstructs the lives of a painter, a doctor, an elementary-school teacher, and Great Uncle Ambrose. Following (literally) in their footsteps, the narrator retraces routes of exile which lead from Lithuania to London, from Munich to Manchester, from the South German provinces to Switzerland, France, New York, Constantinople, and Jerusalem. Along with memories, documents, and diaries of the Holocaust, he collects photographs—the enigmatic snapshots which stud *The Emigrants* and bring to mind family photo albums. Sebald combines precise documentary with fictional motifs, and as he puts the question to realism, the four stories merge into one unfathomable requiem.

**The Grey Album** Aug 04 2021 \*Finalist for the 2012 National Book Critics Circle Award for Criticism\* \*A Publishers Weekly Top 10 Literary Criticism and Essays Pick for Spring 2012\* *The Grey Album*, the first work of prose by the brilliant poet Kevin Young, winner of the Graywolf Press Nonfiction Prize Taking its title from Danger Mouse's pioneering mashup of Jay-Z's *The Black Album* and the Beatles' *The White Album*, Kevin Young's encyclopedic book combines essay, cultural criticism, and lyrical choruses to illustrate the African American tradition of lying—storytelling, telling tales, fibbing, improvising, "jazzing." What emerges is a persuasive argument for the many ways that African American culture is American culture, and for the centrality of art—and artfulness—to our daily life. Moving from gospel to soul, funk to freestyle, Young sifts through the shadows, the bootleg, the remix, the grey areas of our history, literature, and music.
