Tangled Games Nov 07 2021 Sometimes you have to sacrifice your Queen to protect the King. When I met Anderson North, I fell in love with the man, not the title. With his heart, not the crown. But as I step foot in the Nation of Belmont for the first time as the Crown Prince's fiancée, I'm reminded of exactly who he is outside of the bubble we built around ourselves. I'm reminded of exactly who I'll need to become if I'm to survive this tangled web of antiquated rules, constant media attention, and negative publicity from a country that hates the idea of an American marrying their future king. This may be a life of privilege and excess, but I soon learn that with notoriety comes jealousy. With fame comes enemies. With a crown comes a gilded cage. I've always dreamed of being a princess. Atonement Oct 06 2021 Londyn Bennett entered my world like a hurricane. One I was grossly unprepared for. But in the short time we've known each other, she's opened my eyes to things I never expected. She taught me about acceptance. Compassion. Love. Because of her, I've also been forced to learn about prejudice. Cruelty. Hate. We may come from two different worlds, but the second we met, our hearts beat as one, nothing able to sever our connection. Or so I thought. When the bubble we've been living in bursts, will our love be strong enough to weather the gale-force winds threatening to upend everything? Or is hate too powerful to overcome? A wise person once told me that the right path isn't always the easy one. I never realized just how treacherous the right path could be. Dating Games Sep 17 2022 My rules for being a Manhattan billionaire's fake girlfriend... No kissing. No fooling around. No falling in love. What can possibly go wrong? Note to self: When your boyfriend dumps you on your thirtieth birthday, it's probably not the smartest idea to drink so much that you wake up in the same bed as the mysterious hottie wearing the gorgeous suit who you noticed sitting across the bar. The only silver lining in my obvious lack of judgment is the promise of never seeing Mr. Suit again, not in a city the size of New York. Or so I thought, until a story I'm working on about the country's most sought-after and elusive escort lands me in the same café as Mr. Suit. So I do what any self-respecting woman of my age would do in my shoes... Try to ignore him. But he won't let me. Instead he makes a proposition that leaves me questioning whether I need to have my ears checked. Be his fake girlfriend for a summer of wealth and excess in the Hamptons. In return, he'll help me win back my boyfriend's heart. Juvenile? You bet. Effective? Could be. Bad idea? Most likely. But what do I have to lose? Apparently, a lot more than I originally bargained for. Let the games begin... Dating Games is a standalone modern retelling of Cinderella meeting her billionaire Prince Charming.
