In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. When their scorching affair turns into something unexpectedly deeper, Levi finds himself torn between preserving his reputation, and exploring a wilder and much more

satisfying kind of life. For as long as he could remember, he wanted her... Raised by a single mother, Adam Collins resolved to take no chances with a girl's future—or his own. That's why, as hard as it was, he resisted everything he felt for Marissa Brooks. Then one night a reckless challenge left a fellow student dead and changed both their lives forever. As penance, Adam took the boy's place in the Marines, where he could disappear into discipline and duty, and left Marissa behind to struggle with her dreams. Twelve years later, Adam is back in Walkers Ford to serve as the best man in his friend's wedding. The years haven't diminished the electric connection he has with Marissa. But Adam's mistake continues to haunt him, and Marissa is stumbling under the weight of her family's legacy. Together they wrestle with demons and dreams, but if there's any hope for a future together Adam has to not only find a way to forgive himself, but also ask others for forgiveness—especially from the woman whose heart he broke. The sweetest reward comes after the longest wait

Vicktor Orlov took one look at the wary gaze and slow-to-trust personality of the deliciously sexy and fascinating Rachel Dolan and knew he wanted more than just a casual friendship. But as a natural protector, he also knew bossiness and overprotective maneuvering would push her away. He'll use every tool in his easygoing arsenal to convince her to take a chance on them. Rachel's flourishing new career as a tattoo artist has brought color back into a life previously damaged by violence. She knows she can trust Vic—it's herself she's not sure of. She doesn't want to be caged or controlled, protected so much she has no ability to make her own choices. And damn if the man doesn't know it. When Vic finally drops all pretenses of "just friends" and focuses all his careful affection and irresistible seduction on her, Rachel knows she's falling hard for the laid-back pretty-boy Russian she's discovered has a relentlessly steel spine when it comes to her. And she can't resist. Dane deftly weaves action, intrigue, and emotion with spicy delicious eroticism--bestselling author Anya Bast. . . . When you least expect it. Andrei Solace delivers death on silent feet as an assassin for the Phantom Corps. The perfect weapon in the fight against the Imperium, he's sent to the same Verse he left behind as a youth. Piper Roundtree is a mercenary prepared for anything-expect for being rescued from Imperialist lackeys by the man she hasn't laid eyes on in eleven years. While she remembers every mesmerizing sensation he gave her, she thought they were through. But against the backdrop of an impending war, their passion is reignited. The girl Andrei once loved is not a fierce woman who can pilot a ship through canyons at high speeds, and drive him wild with equal abandon. As much as Andrei tires to protect her from the darkness inside him, Piper admires his skills and the code he lives by. Now the lovers must join forces-in more ways than one-to save the Known Universe before the enemy hurls everything into irreversible chaos. Nina Reyes knows trouble when she sees it, and Lex Warden, Enforcer for the local werewolf pack, is nothing but. When her brother gets in too deep with some dangerous wolves and comes to Nina for help—dragging super alpha protector Lex into her life—she can handle it. She might have put her grifter past behind her, but she's still got what it takes. If only she didn't find Lex—his body, his scent, even his domineering nature—so intoxicating. As Enforcer, it's Lex's job to protect his people. Nina might be more capable of handling herself than he initially thought, but that doesn't mean she's safe from their enemies. His need to protect her is more than just pack business—Nina, a human, is his mate. Bedding her once is not even close to enough; to satisfy his wolf, he needs a true bond. The heat between them scares Nina, but sometimes the reward is worth the risk, and the thought of living without Lex terrifies her more than any threat the werewolf mafia can pose. Lex will do anything to keep her safe. And when the Rogues catch up to them, he'll get a chance to prove it... Watch for more Cascadia Wolves stories coming soon from Lauren Dane and Carina Press!
